

Helix Practice Manager - Diabetic Cycle Of Care

There is a new exam and adhoc report available to import for the Diabetic Cycle of Care program.

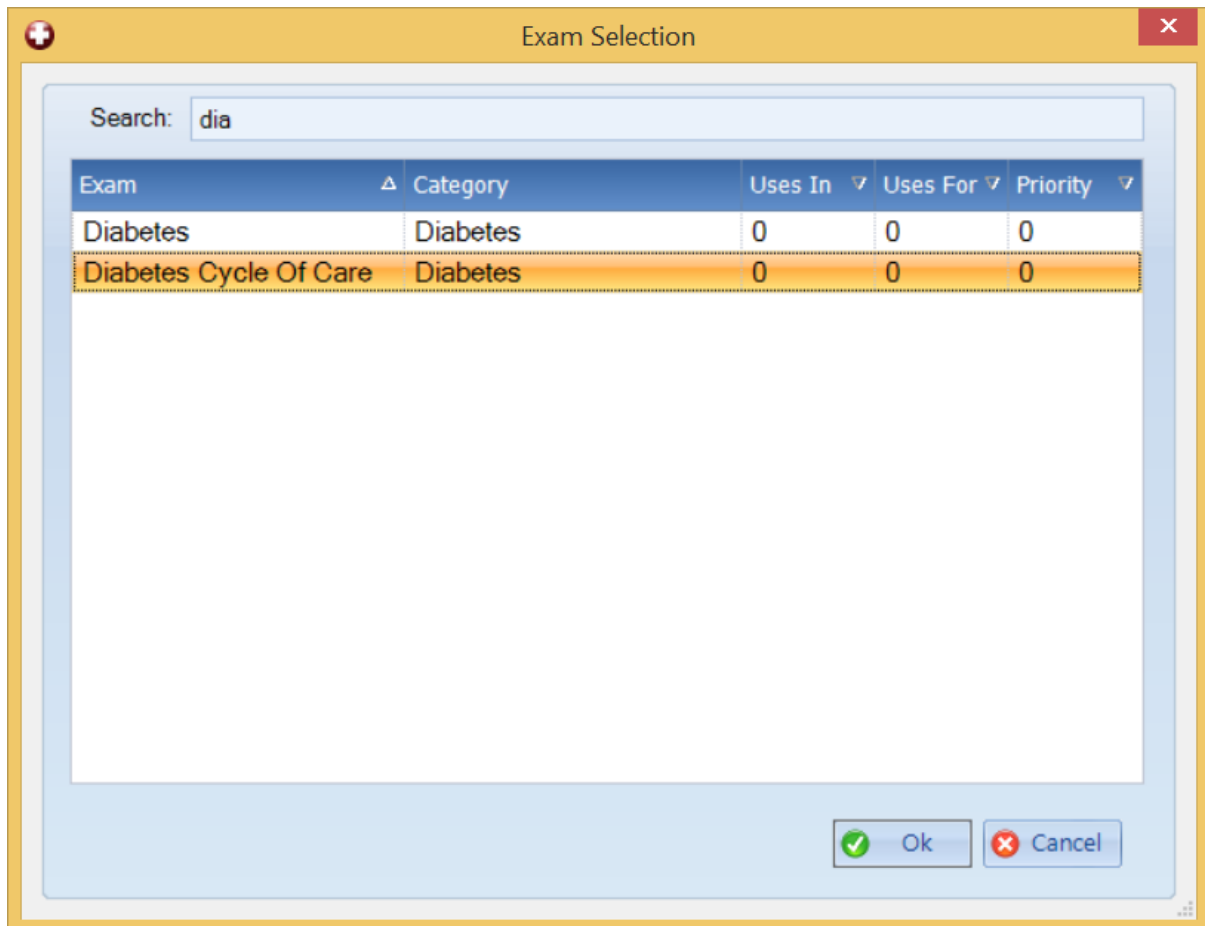

Contact the customer support team to get both the exam and report added to your system. (01 4633098)

Once the exam has been added to your system, you can access it from a patient chart through the Exams section. Open the patient chart, in the tests section click Add New:

The screenshot shows the Helix Practice Manager interface for a patient named Mr. Smith, Tom (M) 66Y 8M. The interface includes a top navigation bar with tabs for Waiting Room, Appointments, Patient, Reports, Tasks, Administration, and Help. Below this is a toolbar with various icons for Search, Add, New, Health Summary, Consultation Notes, Medication, Exams, Recalls, Documents, Sketch, Accounts, and Finalise. The patient information section displays the patient's name, date of birth, and contact details. The main content area is divided into several sections: Documents, Medication, Consultation Notes, Tests, Medical History, and Recall Opportunities. A red arrow points to the 'Add New' button in the Tests section.

Select Diabetes Cycle Of care from the list, you can find it easier if you start typing the name of the exam in the top search field:

Click on the exam and click OK, the exam will open:
